Mr. Leslie T. Rogers
Regional Administrator
Federal Transit Administration
201 Mission Street, Suite 1650
San Francisco, CA 94105

Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Sacramento Area Council of Governments' (SACOG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
31	State, Local, and Transit Elements <ul style="list-style-type: none">Adds, modifies or deletes various projects from various funding programs in El Dorado, Placer, Sacramento, Sutter, Yolo, and Yuba counties. The amendment includes projects with funding from Congestion Mitigation and Air Quality Improvement Program, Regional Surface Transportation Program, State Highway Operation and Protection Program, Safe Routes to School Program, and various Federal Transit Administration (FTA) programs.

See enclosure.

The SACOG board resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the director of Caltrans, I approve SACOG's Amendment No.31. I also recommend that Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FSTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Walter C. Waidehich, Jr./Mr. Leslie T. Rogers

Please address any questions on this FSTIP approval request to Jody Tian of my staff, at (916) 654-2853.

Sincerely,

RACHEL FALSETTI
Chief
Division of Transportation Programming
